

A GREAT BIG THANKYOU GOD

CHORUS

*Harvest is a time to sing thanks to our God.
Harvest is a time to sing a great big thankyou God.
Thank you God, thank you God.
Thank you for the food that's here today,
A great big thankyou God.*

VERSE

*You give me all the food I need,
It grows from a tiny seed.
You warm it with the sunshine,
You water it with rain.
So it grows and grows and grows and grows.
Grows and grows and grows and grows and grows;
Food for you and me.*

CHORUS

*Harvest is a time to sing thanks to our God.
Harvest is a time to sing a great big thankyou God.
Thank you God, thank you God.
Thank you for the food that's here today,
A great big thankyou God.*
